

INTERNATIONAL CONFERENCE ON CEREBRAL PALSY & DEVELOPMENTAL MEDICINE

(6th - 10th March 2013)

Theme - From Dogmas to Evidence

Partners

International Organization of
Physical Therapists in Pediatrics

INVITATION LETTER

Dear Friends,

Greetings from Incredible India

Welcome to the city of NAWABS and KABABS!

It gives me great pleasure to welcome you all to India for the INTERNATIONAL CONFERENCE ON CEREBRAL PALSY AND DEVELOPMENTAL MEDICINE at Lucknow, India from 8-10 March, 2013 with preconference workshops on 6th and 7th march.

Lucknow often known as the Constantinople of the East is a very known city and the Capital of Uttar Pradesh State in India, near to the Golden Triangle of Agra (The city of Love), Jaipur(city of Palaces) and Delhi(The Capital of India - a Tryst with History!).

We have more than 60 Faculties from USA , Europe and Asia, with more being added every day

With 50 instructional courses and breakfast sessions,break way sessions and plenary lectures there is a lot for all of us to learn,

For the first time there will be a parallel 2 day conference for parents , advocates and policy makers to ensure that every stakeholders views are taken into account

2 days of preconference workshops with 8 workshops ensure that we have a cerebral treat every day, the last dates of submission of abstracts has been extended till the 30th september especially for AACPD members

This meeting is projected to draw close to 2000 delegates from all parts of the globe, easily making it the biggest such meeting in Asia, organized by the R. P. SHAH MEMORIAL TRUST FOR CHILDREN WITH DISABILITIES .

Kindly click on Cluster Maps on the main page of the conference website to realize from where all in the world we are expecting delegates from.

This meeting will include delegates from Education, Services, Administration, Neurology, Neurosurgery, Nursing, Nutrition, Occupational Therapy, Orthopedic Surgery, Physiatry, Physical Therapy, Psychiatry, Psychology, Physical Medicine and Rehabilitation, Public Health, Social Workers, Speech and Language Pathologists, Orthotist and Prosthetists all involved in the care of children with such problems, it will also look into care giving through out life span and adolescent issues especially in context to Asia.

We look forward to welcoming you to India in 2013 with your friends and family,this could be the chance of your lifetime to see the TAJ MAHAL and explore an entirely different world, for the wild life and nature enthusiasts you are a doorstep away from the Himalayas –chances to trek and nature sports abound!!

We in India believe in ATITHI DEVO BHAWAH i.e. the guests are akin to Gods, so soak in the feeling and mark the dates. We eagerly look forward to welcoming you all. Email us if you have any questions.
