TOGETHER • RPART virtual 2020

Welcome!

On behalf of the International Child Neurology Association and the Child Neurology Society, it is our great pleasure to welcome you to the Joint 16th International Child Neurology Congress and the 49th CNS Annual Meeting staged virtually from October 12-23. Our congress theme is "Sharing Knowledge, Sowing Friendships, Spreading Hope". The additional theme "Together Apart Virtual 2020" is perfect for this congress. The ICNCs have truly set the stage as the key forum which provides the very latest and most relevant updates on child neurologic disorders from a global perspective. Speakers from across the six major geographic regions (an nearly all 24 time zones) will present. We look forward to an exciting two weeks of education and networking, followed by five months of on-line, On Demand access to most of the recorded sessions. Jo Wilmshurst, MB, BS, MD President of the ICNA Phillip L. Pearl, MD President of the CNS

3. Click "My Profile" and proceed to next page.

"Extra Resources" will take you the CNS website for supplementary or updated items such as: *CNS Connections* (includes completed program) and CME survey (pdf) to keep and update in preparation for completing online CME survey at end of meeting.

A roster of poster and platform abstracts, published by JICNA, will be available on congress website, ICNApedia.org.

Set Up Your Profile

You can turn your profile into "Incognito" mode to hide yourself from the networking and search feature. Just remember that by doing so other attendees cannot find or interact with you and you will miss out on all the great networking opportunities.

Your profile is how you can express yourself with other attendees and connect with like-minded people.

Your profile will show up on screen. Here you can edit your photo, bio, areas of interest, by clicking on the pencil icon. You can also upload a short video introducing yourself to other attendees. The video will also be uploaded to Hello World in the Networking Lounge. This will allow other attendees to get to know you and more easily identify your shared interests.

Access the connections you make from the virtual experience.

Sessions and How to Participate

Sessions are where speakers give educational presentations, plenary award lectures, and more.

You can access sessions on the left hand sidebar. There you can select your speaker, see all their sessions.

Sessions are prerecorded and Q& A will be live at the end of each session. Make sure that you arrive on time or even early. There are a number of ways to interact between the attendees via chat, Q&A, and more.

On Demand sessions are recorded sessions that you can access at your convenience throughout the event. Live sessions also become On Demand sessions after the event (November 10 - March 31, 2021) so that you don't have to worry about missing out.

NOTE: Access to content after October 23 is strictly limited to those registering by October 23.

Click "My Agenda" from the main

menu to review your agenda.

Review the list of sessions and create your custom agenda.

To Access Sessions On Demand thru March 2021, You must be registered by October 23

Change program listing to your timezone by clicking here.

Networking Lounge

The Networking Lounge is a great way to connect with other attendees. Here you can see who is attending, access Hello World, and step into the Child Neuro Night Club featuring a 10-video program of jazz & spoken word: "American Creativity, Ingenuity, and Diversity." This program, developed by Drs. Phillip Pearl and David Urion at Boston Children's Hospital, is offered by the host association, the CNS, for all attendees to enjoy, and is made possible by the support of the ICNA-CNS meeting Gold Level Sponsors.

If you recorded a video in your profile it will uploaded to Hello World in the Networking Lounge. This will allow other attendees to get to know you and note your shared interests.

Happy Hour: Stop by the Nightclub, then Meet & Mingle at Roundtables

Roundtables

Roundtables are live video chats centered around a specific topic. Roundtables can be created by sponsors and attendees and can be public or private. Roundtables covering a popular topic can sometimes have a wait list. Simply click on "Wait list" and join the conversation when there is availability.

Note: you can only be in one Zoom meeting at a time.

9

Posters and Platforms

Nearly 600 posters are available as pdfs, and another 100 as brief video talks representing some of the highest ranked abstracts submitted to the Joint CNS-ICNA Scientific Program Committee.

Posters will be available On Demand (24/7) beginning Thursday, October 15, running through March 2021. By clicking to contact the author, you may ask questions, initiate conversation(s), or – who knows? – seed a creative collaborative relationship.
